- My summer holidays were a complete waste of time.
- Before, we used to go to New York to see my brother, his girlfriend and their three screaming kids face to face.
- I love New York, it's great.
- But my parents were so worried because of September 11 that they decided to stay in Scotland and spend two weeks up North.
- Up north, what you see is what you get – nothing.
- I was extremely bored in the middle of nowhere.
- Nothing but sheep and mountains.
- At any rate, my parents were happy – they said, it could be worse, and that they were happy with the peace and quiet.
- I don't think so!
- I wanted to go home as soon as possible, to see my mates again.
- Today I came back to school.
- I feel very saintly because I have done all my homework.
- Now it's business as usual...
